

Novartis Ophthalmology
Thursday October 28 2021
14.15-15.15

Symposium

Novartis is pleased to invite you to an exciting symposium during this year's EASDec congress.

Date: The symposium will be held on Thursday 28 October at 14.15-15.15.

Venue: Odense Koncerthus

Program:

Diabetes and Diabetic Macular Oedema - where are we today:

Moderator: Professor Jakob Grauslund, Odense University hospital

14.15-14.20: Welcome and introduction (Professor Jakob Grauslund)

14.20-14.40: Diabetes from the endocrinologist's perspective: what is important for the ophthalmologist to know? (Professor Mikael Rydén, Karolinska University hospital)

14.40-15.00: Diabetes from the ophthalmologist's perspective: what is important for the diabetologist to know? (Professor Jakob Grauslund, Odense University hospital)

15.00-15.15: Discussion

With best regards,
Novartis Healthcare A/S

Sundhedspersoner defineres i reklamebekendtgørelsen § 1, stk. 3, som "læger, tandlæger, dyrlæger, farmaceuter, sygeplejersker, veterinær-sygeplejersker, farmakonomer, jordemødre, bioanalytikere, kliniske diætister, radiografer, social- og sundhedsassistenter og studerende inden for disse fag".

Mødet er anmeldt til ENLI, og er efter Novartis' opfattelse i overensstemmelse med reglerne på området, selv om det ikke er forhåndsgodkendt.
